03 ————— INTRODUCTION

04 ————— THE ROLODEX

05 ————— FUNDING & GRANTS

06 ————— COMMUNITIES & DIRECTORIES

WELCOME SIS!

As Black women in business, we often build without access—but that stops here.

This list features platforms, funding programs, and resources designed with us in mind.

These are tools I trust, use, or want more of us to know about. I will be updating this list on a continuous basis.

Let's build with power and support. *linette*
